

## The Wealth of celebrities

I do agree that celebrities should make the money they make. They do many things to make that money. They do a lot of stage work and TV shows also they tour towns and cities. They work hard. They are smart cause they have to remember their lines and moves. The work is hard and can be dangerous cause sometimes if you are on stage are around wires or ~~the~~ heavy hanging objects you may get hurt. I over heard that one day one of my favorite singers had a object fall on her. I think celebrities should keep up the good work.

### Score Point: 2

This response is considered flawed. A low degree of proficiency in persuasive writing skills is reflected. The writer clearly states that celebrities deserve the money they make and lists key ideas in support of this position (they do stage work, go on tour, work hard, have to remember lines, and the work can be dangerous). There is an attempt to organize the response. Further development of the key ideas is required for a higher score.
